RECONNAISSANCE HANDBOOK

Contents in Alphabetical Order ........................................... viii
Preface ................................................................................. ix
Leadership
   Duties and Responsibilities ............................................. 1-1
   Example Leader Book Contents ...................................... 1-6
   Troop-leading Procedures .............................................. 1-7
   Orders ........................................................................... 1-32
      WARNO .................................................................... 1-32
      OPORD .................................................................... 1-34
      FRAGO ................................................................. 1-41
   Five-Point Contingency Plan ......................................... 1-41

DISTRIBUTION RESTRICTION: Distribution authorized to U.S. Government agencies and their contractors only to protect technical or operational information that is for official government use. This determination was made on 15 March 2002. Other requests for this document will be referred to Commander, US Army Armor Center, ATTN: ATZK-TDD-C, Fort Knox, Kentucky 40121-5000.

DESTRUCTION NOTICE: Destroy by any method that will protect disclosure of contents or reconstruction of the document.
Organization
   CFV Platoon............................................. 2-1
   HMMVV Reconnaissance Platoon.............. 2-5
   Recce Platoon........................................ 2-11
   Dismounted Organization.................... 2-15
   Task Organization................................ 2-19

Operations
   Zone Reconnaissance............................. 3-1
   Area Reconnaissance............................ 3-2
   Route Reconnaissance........................... 3-3
   Screen................................................ 3-4
   Area Security........................................ 3-6
   Relief in Place..................................... 3-11
   Linkup.................................................. 3-16
   Liaison................................................. 3-20
   Check Point......................................... 3-22
   Convoy Escort........................................ 3-26
   Outposting........................................... 3-28
   HUMINT.................................................. 3-31
   FPOL / RPOL............................................ 3-32
   Reconnaissance Handover..................... 3-34
   Quartering Party................................. 3-36
   Assembly Area....................................... 3-38
   Tactical Road March........................... 3-40
   Defense / Support by Fire.................... 3-43
   Infiltration / Exfiltration................... 3-44

Urban Operations
   Planning Phase..................................... 4-1
   Execution Phase.................................... 4-2
   Urban Movement Techniques................... 4-4
